Art Unit: 3682

The following is an examiner's statement of reasons for allowance: The prior art taken as a whole neither teaches nor renders obvious a rolling element retainer including the plurality of independent partitions and a plurality of independent link-rings for connecting the partitions together, with the engagement of the independent units being achieved by a cylindrical ring portion swingable engaged with a curved surface, the retainer formed by alternatively connecting the link-rings and the partitions together.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas R. Hannon whose telephone number is (571) 272-7104. The examiner can normally be reached on Monday-Thursday (8:30-7:00).
